

Coach tour and walking tour in the old town

Guided Bus Tours

David Stoll

With your coach we pass testimonials of Roman and medieval Cologne. We will show and explain sights from all periods on this round trip. From the river bank in Cologne-Deutz you have a view of one of the most beautiful city panoramas in the world: Cologne's old town with the Rheingarten, the towers of Groß St. Martin, the town hall and of course the Cathedral. Discover with us on foot the area in the vicinity of the Cathedral and Old Town. Many of Cologne's most important attractions are concentrated within one square kilometre around the Cathedral, including the town hall and the old town with the Romanesque church of Groß St. Martin. In the old town's narrow cobblestone lanes and lively squares such as Alter Markt, you will get a feeling for life in the Cathedral city past and present.
