

Spettacolo - International street artist festival

Guidle.com

Over 50 artists, comedians, actors and musicians from all over the world transform the lakeside promenade of Brunnen into a lively street artist arena.

Comedians, fire artists, magicians, acrobats, actors and musicians: Over 50 professional artists from all over the world offer 200 breathtaking shows over three days. The 7 open-air stages and two circus tents offer the perfect setting for the sixth international street artist festival situated at Lake Lucerne. The food mile including almost 30 food and drink stalls tempt hungry visitors with specialities from all over the world. Over 20 000 visitors are expected at the festival.

The event takes place come rain or shine. Please use public transport.
