brewery

Privatbrauerei Gaffel

The "Gaffel am Dom" is a brewery with a typical Rhenish character. Bourgeois, hearty and with a lot of hospitality, here Cologneers and guests drink their Kölsch or enjoy one of the typical Cologne specialities. The menu includes hearty regional specialities and seasonal dishes.

With the renovation in 2008, the venerable and listed Deichmannhaus at the foot of the Cologne cathedrals was given back a piece of urban tradition from the Gründerzeit.
