

Osho's Place

restaurant

Osho's Garden is very close to Friesenplatz and the Belgian Quarter and has a vegetarian-only menu. Its location makes it the perfect place to get an energy boost before you head off for a bit of shopping – or on the way back! There's a variety of vegetarian dishes on offer, including some vegan ones, plus a salad bar and a range of breads and pastries, of which many are gluten-free. On a fine day, this is also a good place to sit outside, either in front of the restaurant, where you're ideally placed for people-watching, or in the calm of the courtyard at the rear.
