The Casino Vinophil combines the excitement of gambling with the pleasure of enjoying wine.

The wine casino takes its guests into the dazzling world of the casino.

The playful wine tasting is moderated by professional sommeliers at classic casino tables in the location of your choice. High-quality gaming surfaces are specially designed for the wine theme.

With the help of the sommeliers' hidden clues and possibly their own wine expertise, which guest will succeed in becoming a true wine connoisseur by the end of the game?

Four different gaming tables are available.
