We take you on a relaxing and entertaining rickshaw ride through Cologne's historic city centre;

Enjoy Cologne with a city tour on the back seat of our comfortable rickshaws. Your personal rickshaw drivers and guides will show you the lively city of Cologne and let you experience the cathedral city up close. Discover Roman, medieval and modern Cologne on wheels with them.

Your Rikolonia guides will show you classics such as the cathedral, the love locks on the Hohenzollern Bridge and the Dionysus Mosaic, one of the most outstanding art treasures of antiquity, as well as the hidden corners of the historic old town.

- The starting point is always the Reiterdenkmal on Heumarkt.
- If you would like an alternative starting point, please contact us by email after booking.
- You can specify the end point and individual starting points within Cologne's old town yourself if you wish.
- We also offer extensive information on Cologne's sights, such as Cologne Cathedral, the City Hall and the Rhine promenade.
