

Lombachalp winter trail

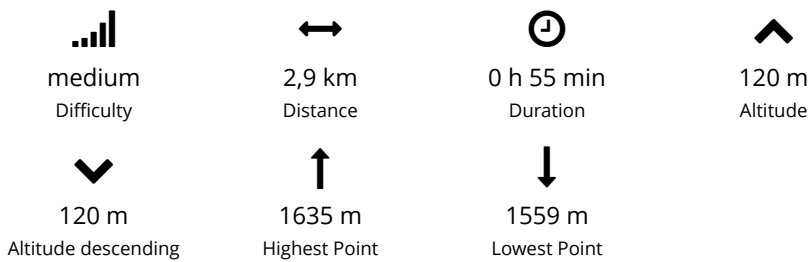

Winter Hiking

Melanie Studer, Interlaken Tourismus

Tour Dates:

Recommended Seasons:

JAN	FEB	MRZ	APR	MAI	JUN
JUL	AUG	SEP	OKT	NOV	DEZ

This winter trail takes you through the fantastic winter landscape of the Lombachalp.

The winter trail starts from the Lägerstutz car park. The well-groomed winter trail leads you approx. 1.5 km through the unique landscape of the Lombachalp and offers wonderful views of the surrounding mountains and the snow-covered countryside. You can take a break along the way on the bench by the alpine hut and warm up in the sunshine. The trail ends in a small loop and leads back to the starting point via the same path. After your walk, why not enjoy a culinary treat in the Jägerstübli restaurant?

Destinationpoint:

Parking Lägerstutz/Roteschwand

Equipent:

Appropriate footwear and warm clothing recommended.

Getting There:

Drive from Lucerne over the Brünig Pass or from Bern along the autobahn and motorway via Thun-Spiez to Interlaken. Once you have passed Unterseen, you will reach the Habkern/Beatenberg junction, where you should turn right towards Habkern.

At the intersection in the centre of Habkern (bank, post office, shops), drive straight ahead towards Schwendi. The distance from Habkern village to Lombachalp is 6 km. Parking at Schwendi/Tschieme is paid (coin-operated parking meter!) In winter, four-wheel-drive vehicles or the use of snow chains are recommended.

Parking:

A limited number of parking spaces are available at Lägerstutz/Roteschwand.

Public Transit:

Take the train to Interlaken West, then board PostBus no. 106 to Habkern (Post or Zäundli bus stops). Bus alpin runs from Habkern during the winter season. Timetable: www.habkern.ch/busalpin
