Services - various

Wolters Bimmelbahnen

Enjoy leisurely sightseeing in one of the popular "Bimmelbahnen", which take you to the city's sights on different routes using the "Hop On - Hop Off" method. One route, for example, takes you through the historic Old Town with its romantic Old Town houses along many sights to the Chocolate Museum and the newly designed Rheinauhafen. Here you have the option of visiting the Chocolate Museum or the German Sports and Olympic Museum.

Or you can drive along the Rhine to the zoo or the Flora (Cologne's botanical garden). Here you can visit Cologne Zoo or take a cable car ride to the opposite Rhine Park on the other side.

At Christmas time you can visit the beautiful Christmas markets in the city with a rowing ticket. The trip goes through Christmas-decorated streets from one Christmas market to the next. Enjoy the special Advent atmosphere.

The following applies to all journeys: With a round trip ticket, you get off at the respective central station and simply continue with one of the next trams.

The green trams in Cologne are always great fun for young and old. A different kind of city tour.
