Get active on the water and relax on the shore

The Honu Water Sports Center offers a wide range of equipment to test out and hire for your next stand-up paddleboarding, windsurfing, wing-foil or canoe experience. You can also try your hand at wakesurfing for wakeboarding with the aid of an electric boat. Test your balance on the board, then cool off by jumping into the refreshing water on a hot summer's day.

Rent a SUP, canoe or windsurfing board – and book a polo field

Hire a stand-up paddleboard and paddle quietly along the shores of Lake Thun. While balancing on your board, you will discover the natural beauty concealed in the deep-blue waters. Honu SUP Center offers a wide range of courses to meet the needs of those of different ages and levels. Have you ever tried a wing foil? It allows you to glide across the water even in light winds. In relaxed and friendly surroundings, though, you are sure to fall under the spell of stand-up paddleboarding.

Looking for an enjoyable team activity? On request, you can take part in a very special water-based experience: two teams battling it out on a watery polo field, with goals scored using a special paddle. Are you ready to face the challenge?

Wakeboarding and wakesurfing

From Lachenhafen, take a sustainable trip over Lake Thun by electric boat. Book a 15-minute surfing session to try your hand at wakeboarding or wakesurfing. Before and after your session, you can spend time aboard the boat relaxing and cheering on your fellow surfers. If one session is not enough, you can also rent the whole boat for an exclusive experience.

Your highlights at a glance

- A little piece of Hawaii on Lake Thun
- Wide range of SUP, wing-foil and windsurf courses
- Large selection of rental objects and kids windsurfing equipment
- Green sunbathing lawn where you can relax with family and friends
