E-bike on the house path in front of the Hirschen Diemtigen - © Naturpark Diemtigtal

Would you like to discover the Diemtigtal Nature Park on two wheels, but don't have an e-bike yourself? Then rent one of our two e-bikes and off you go!

The Diemtigtal offers interesting opportunities for cycling and e-biking tours. Put together a varied tour along the low-traffic side roads and let yourself be surprised by the sometimes wild landscape.

Two e-bikes for rent

Thanks to the cooperation with Bike Moto Reber in Diemtigen, two wave fully e-bikes are available for hire from the Diemtigtal Nature Park office from May to October. You can also rent the bikes for several days on request. Helmets, bags and charging cables are also available. This way of getting around promises a lot of fun – see for yourself!

Tip for a day trip

Discover the magnificent wooden houses from the 18th and 19th centuries and combine the three Diemtigtal house paths for a grand tour on two wheels.
