### Gain exciting insights into the home of FC Thun

**The Stockhorn Arena is conveniently reached from the Thun Süd motorway exit. The home ground of FC Thun can accommodate 10,000 spectators. On a 75-minute tour, you will find out what it takes to ensure a modern football stadium like the Stockhorn Arena runs smoothly.**

Dramatic music rings out from the stadium loudspeakers, the spectators in the stands applaud and the fan sections cheer their teams to the rafters. Like modern-day gladiators, the 22 players and the officials emerge into the arena from the tunnel: always a special moment on match day.

On a stadium tour of the Stockhorn Arena, you get a sense of how this feels. As part of a group of up to 25 persons, you will explore the catacombs of this contemporary temple to football. Sneak a peek into spaces normally closed to the general public, including the away changing room, the interview zone, the press conference room, equipment storage rooms and the laundry.

Stride proudly down the players' tunnel onto the pitch as you soak up the stadium atmosphere. On a tour of the visitors' section, the control centre and the Arena Lounge, gaze down onto the expanse of green and revel in the romance of football.
