KIRBEG CATERING. UNESTABLISHED SINCE 1982.

We've been doing catering since 1982 - a long time. And the great thing is: we still love doing what we do.

We love catering for guests, giving them a great day or evening, cooking for them, surprising them with atmosphere, with something memorable.

We love creating flavours that are unusual, that make people happy. We are creative. We are bold and unconventional. Right from the start.

We develop culinary concepts and productions that tell a story for our customers and their guests. This story is tailored to the customer, their themes and their wishes. This creates unforgettable moments. We call this CULINARY STORY. But you can also simply call it "a very, very nice event".
