**Your specialist for lighting, sound and media technology for events of all types and sizes.**

**müllermusic event technology - your full-service provider!**

Would you like to turn your event into a unique experience?

As a full-service provider for event technology, we would like to be your partner!

You benefit from our many years of experience, a team of creative, committed employees who always think and act in a solution-oriented manner - with the aim of creating a technical concept tailored to your event that will be a lasting success!

We support you with events of all types and sizes and are your specialist for lighting, sound, media and image technology as well as online solutions.

**müllermusic event technology - highly qualified specialists in every field!**

Let us work together!

With almost 50 years of experience and a team of over 80 employees, we are an established company in the industry. Based in Cologne, we are an experienced in-house partner for various venues in the region and are very familiar with the technical possibilities.

We leave nothing to chance! We train our technicians ourselves and specialize them in the technology we use. In addition, our experienced event managers guarantee that your event will run smoothly and safely.

Another advantage: we have a central and extensive pool of materials with approx. 2,500 different items in a storage area of approx. 3,000 m<sup>2</sup>. This enables us to operate with fast response times and short delivery routes in and around Cologne and find the optimum solution for every requirement and every budget.

## Services and products - from partial services to full-service packages!

Whether it's a congress, trade fair stand, corporate event, online event or concert - with us you will find everything you need for event technology according to your wishes!

Experienced project managers are always at your side to develop individual and innovative technical concepts. Thanks to the wealth of experience gained over the years, our employees are particularly good at putting themselves in the shoes of your creative concepts and ideas in order to develop an optimal technical solution together with you.

***"This makes müllermusic not only a professional and reliable technical partner, but also a first-class enabler for the successful implementation of creative live communication concepts!"***

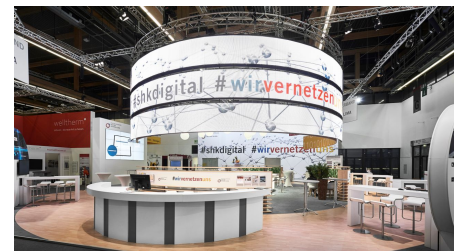

Reinhard Pommerel, Managing Partner POMMEREL Live-Marketing
