A day trip by car or motorbike to the castles of the region.

This 144 km tour takes you along the most attractive routes to the four castles in the region: from Glücksburg Castle through Flensburg and along the scenic road Fjordvejen and over the Dyppel entrenchment to Sonderborg Castle. From there it goes to Augustenborg Castle and then along Als Sund and Nydam Moor (the famous Nydam boat comes from here!) to Gravenstein Castle. With many vantage points, the route then returns to Glücksburg: the last section leads along idyllic roads through the hilly landscape of Angeln.
