Rigi Kaltbad – First – Unterstetten – Hinder Dossen – Rigi Scheidegg
 The panoramic hike from Rigi Kaltbad to Rigi Scheidegg is wonderful just like a winter dream. In this entire area you will find inviting restaurants with panoramic terraces or hearty picnic places with prefilled firewood. Even in winter!

Enjoy the unique 360° panoramic view on the 7 km long panorama hiking trail. This route is ideal for passionate hikers.

Many interesting contemporary witnesses of the former Rigi-Scheidegg Railway can be discovered along this way. This route takes you through the old railway bridge, then a tunnel, pass by a disused passenger couch and a water filling station for the steam locomotives. The view of the Alps and the Schwyz basin is just magnificent. From Rigi Scheidegg you can take the cable car back to Goldau via Kräbel.
