

## The "Dreiländereck"

Vantage point/Observation tower

Hannah Gatzweiler

**The view of the region around Aachen from the "Dreiländereck" is breathtaking.**

On the highest hill in the Netherlands, which is about 323m high, Germany, the Netherlands and Belgium meet. Surrounded by varied nature, the area offers various hiking trails and viewing platforms. The adventure playground and the "Dreiländerlabyrinth" are a great day trip destination with children, offering excitement, action and fun. For reinforcements afterwards, there are many restaurants and cafés to choose from, or you can settle down on the large lawn and enjoy a relaxed picnic at sunset.
