"Show me your world"

The Day of Good Living has been taking place in different Cologne neighbourhoods most years since 2013. It is organised by Agora Köln and designed by committed neighbours, residents, associations and institutions who are committed to a better neighbourhood and a diverse urban society in Cologne.

"KalkFest meets Day of Good Living" extends between Kalk Post and Kalk Kapelle as well as between Ottmar-Pohl-Platz and Höfstraße. In this area, the roads will be closed to through traffic.

Various action islands are planned in squares and parks in the district. Residents, initiatives and organisations are invited to help shape the "KalkFest meets Day of Good Living" event. You can offer your own activity, participate as a volunteer or support the event with donations.
