

Herbrand's

restaurant

To most people in Cologne, Herbrand's is a well-known night spot. But the restaurant also does Sunday brunch, from 10 am to 2 pm, with a huge selection of hot and cold food. I felt the lunch dishes were particularly varied: seasonal vegetarian options, a range of salads, antipasti and more traditional fare. There really is almost too much to choose from! Plus, the price (19.50 euros) includes standard filter coffee, tea and a glass of orange juice.

Good to know: Make sure you leave space for the "make-your-own" waffles and crêpes!
