

6arelyhuman

Sonstiges

6arelyhuman, also known as Toby Hamilton, is a dynamic luminary in the modern electronic music scene, originating from Dallas, Texas. His innovative fusion of Y2K emo with a fresh electronic twist has birthed 'sassyscene,' a genre uniquely his own. Since his emergence, 6arelyhuman has become a viral sensation, most notably with "GMFU" alongside Odetari, and his debut sensation "Hands Up!" which soared past 100 million Spotify streams, securing a prestigious spot on the Billboard Dance & Electronic chart. This success was bolstered by the hit "XOXO (Kisses Hugs)," further solidifying his viral fame.

2024 marked a pivotal moment for 6arelyhuman, as he appeared on the first digital cover of Billboard Magazine, signifying his status as a visionary in electronic music. His sound, characterized by a bold blend of rhythmic beats and emotive melodies, resonates with a raw energy and authenticity that has captivated millions. Known for his flamboyant style and unabashed self-expression, 6arelyhuman is not just an artist but an icon in the burgeoning underground scene, poised for a mainstream breakout.

Drawing inspiration from early 2000s icons like Kesha, Skrillex, and Lady Gaga, 6arelyhuman's upcoming releases promise a thrilling fusion of these influences. These projects, along with high-profile collaborations and partnerships with Pixel Hood, Asteria, and Proz, underscore his role as a transformative figure in electronic music, shaping not just his future but redefining the genre's landscape. As 6arelyhuman continues to innovate and inspire, his unique sound and style affirm his position as the future of dance music.
