

Listening station bog body from Kayhauserfeld

worth seeing

In the past there was a gruesome crime in the Kayhauser Moor.

More than 90 years ago, a bog body was born in the Kayhauser Moor in Bad Zwischenahn - the Kayhauser boy. The 7 to 13 year old boy was stabbed to death around 200 years before the birth of Christ and sunk in the moor. The motive for the crime is still unknown today ... In the moor, a weathered wooden sign reminds of the place where the body was found.
