

Artist in Residence 2024 - Finissage

Guidle.com

At the end of his "Artist in Residence 2024" scholarship, artist Nat Cartier will be showing the works he created during the project.

Together we will celebrate the conclusion of the Artist in Residence 2024 project at the Spettacolo in the Monti tent on Auslandschweizerplatz. The artist Nathaniel "Nat" Cartier will present the works he created during the project. These new songs will be performed in public for the first time. The four paintings he created together with his audience during the residency will be auctioned off. This lays the foundation for the next Artist in Residence in 2026
