

Autumn Fair - Lozärner Mäas

GuideProxy

The Mäas always takes place in the fall, everyone is amazed and looks full. Hundreds of thousands for decades visit the fair at Inseliquai.

Every autumn, the traditional autumn fair (Lozärner Mäas) takes place from Bahnhofplatz via Europaplatz to Inseli in Lucerne.

Embedded in the Inseli Park and directly on the lake, with over 100 wooden market huts, the goods fair in particular captivates with its unique ambience. The products on offer are of very high quality. The idyllically situated Mäas terrace, the snack stands directly by the lake and the Mäas restaurant offer the best opportunities to enjoy the golden autumn days.

The Luna Park is already set up on Bahnhofplatz, in front of the KKL along the shore and directly at the entrance to the goods fair. The offer ranges from cosy children's rides to adrenaline-charged action rides.
