

## Barbeque tour

Guidle.com

**Imagine going on a leisurely canoe trip along the natural banks of the Bürgenstock and having a barbecue in a cozy spot along the way.**

We make it possible and take you on such a barbecue tour. Accompanied by one of our experienced guides, you will experience an unforgettable canoe tour with exciting facts & figures about the surroundings, interesting information about the fauna and flora and mystical stories about Lake Lucerne. Of course, you can also simply enjoy the tranquillity and (for us) the most beautiful lake in Switzerland to the full.

The only requirement for this tour is that you know how to swim. The Brätli tour is therefore also suitable for beginners.
