

Brunner village festival and August 1 celebration 2024

GuidleProxy

Celebrate Switzerland's birthday in Brunnen with lots of great music and Swiss traditions.

You can expect a two-day festival with musical entertainment, food and drink and a gigantic fireworks display over Lake Lucerne. The road closure in the village center allows for a larger strolling and gastronomy zone, which invites you to linger. The festivities in the village last from July 31 until the early hours of August 2. They will be supported by a large open-air stage and smaller stages with live music ranging from Ländler to pop/rock. Of course, there are also plenty of festival benches and tables. Just sit down and enjoy the various food and drink options and the incredible atmosphere.

The fireworks display on the lake in front of Brunnen takes place from 22:00 to 22:15. Come to the lakeshore and marvel at the fireworks that are shot into the evening sky from Nauen, illuminating it and reflecting off the surface of the water. The fireworks are accompanied by appropriate music and broadcast via Radio Central. In the village center you can listen to the music via loudspeakers, outside the center you can listen via Radio Central Webplayer or Radio Central APP.
