

## Casino-Abend auf dem Stanserhorn

GuideProxy

### Highest casino evening in Europe!

The revolving restaurant is transformed into a casino on the last evening before the end of the season. Guests can look forward to American Roulette, Black Jack and Chuck a Luck (River Side) with professional croupiers. Guests can also try their luck at the one-armed bandit and the wheel of fortune.

The casino evening takes place in collaboration with Impuls-Events (Switzerland's largest provider of team experiences and extraordinary events).

The price for the casino evening includes a welcome drink (with/without alcohol), the flying dinner and the ascent and descent of the Stanserhorn. There are great prizes to be won.
