

## Cheese Festival

GuidleProxy

**The Huttwil Cheese Market is a presentation platform for the diversity of Swiss cheese. More than 30 cheese dairies and exhibitors with complementary offers await cheese lovers each year.**

The Huttwil cheese market has developed into a central event that attracts great attention far beyond the region every year. The art of cheese-making is a method that has been developed and refined since time immemorial. Through tradition, handing down, but also through continuous innovation and improvement, today's variety of cheeses has been created. A variety of culinary delights.
