

Christkindli Fair Willisau

GuidleProxy

Fairytale-like - Angel-like - Legend-like

The romantic Christmas market in Willisau with decorated market stalls, the scent of marroni, mulled wine and spices as well as musical entertainment.

Always at the beginning of December Willisau turns into a Christmas oasis. Many Christmas decorated market stalls are waiting for you. The scent of mulled wine, marroni, candles and spices is in the air and the crackling kettle fires offer a very special Advent experience.

The festive music in the various squares, in the parish church of St. Peter and Paul and in the Church of the Holy Blood, as well as the magnificent glow of the lights enchant Willisau into probably the most atmospheric Christmas town in the Lucerne countryside.
