

Creative workshops for people of all ages

GuidleProxy

Painting and designing with a wide variety of materials in a relaxed, calm atmosphere.

Based on design, natural and recycled materials and a variety of impulses, you can find your creative power.

In the process, be it large-scale painting on the painting wall, paper scooping, plastering, collaging, stencilling, stamping, pasting, printing, weaving, felting, coloring, claying, three-dimensional design, etc., you can create freely and simply be.

The workshops are not advanced. No previous knowledge or special skills are required. They are aimed at people of all ages who would like to take a creative break.

3 minutes from the lake and the Rigi station
