

Culinary trek in Andermatt

GuidleProxy

On this culinary circular hike, you start in Andermatt and take the Gütsch-Express gondola lift to the Matti family restaurant at the Nätschen middle station.

Here you can enjoy the first rays of sunshine with coffee and croissants before continuing your hike to the Schneeüenerstock panorama restaurant. To do this, you first take the gondola lift up to Gütsch. From there, a beautiful hiking trail leads to the Schneeüenerstock panorama restaurant. The route takes around 1.5 hours. Once at the top, a breathtaking view of the Ursern Valley and the Surselva awaits you while you enjoy your Älplermagronen. To top it all off, dessert is served at the Piz Calmot mountain restaurant before you make your way home happy and full. The route from Schneeüenerstock to Piz Calmot can be covered either with the Schneeüenerstock-Express cable car or on foot in around 2 hours.

The package includes the cable car rides Andermatt-Gütsch and Schneeüenerstock-Oberalppass as well as the train ride on the Matterhorn Gotthard Railway from Oberalp back to Andermatt, coffee and croissants in the Matti family restaurant, Älplermagronen in the Schneeüenerstock panorama restaurant and dessert including coffee in the Piz Calmot mountain restaurant.
