Experience Lucerne at the time when it became a city, when bells determined the daily routine and craftsmen carried out their work in the alleyways.

Experience Lucerne as it became a city, when bells determined the daily routine and craftsmen carried out their work in the alleyways.

Fortified towers, walls and bridges were built, while mercenaries and merchants shaped the cityscape. We take you on a journey back in time to the Middle Ages in historical garb and let you smell, see, hear and feel the past.
