

## Kayak bivouac experience

GuidleProxy

**We paddle to a beautiful spot on the lake, cook dinner together and spend the night under the stars. After breakfast the next morning, we paddle back to Buochs.**

Be totally at one with nature - that's our kayak bivouac experience. We set off from Buochs in our kayaks and take everything we need for a night in nature, but only what we need. We paddle along the natural shore to a beautiful spot in the forest and by the lake. On arrival, our guide prepares a delicious aperitif before we cook dinner together over the fire. The day ends with a romantic campfire and we spend the night under the stars. The next morning we enjoy breakfast and then make our way back.
