I am 8-12 years old and already ride almost blind on my bike. I would love to improve my skills on moderately difficult trails. I also want to take my skills to the NEXT LEVEL!

Requirements

The children need technical riding skills on easy trails and must already have experience in dealing with obstacles.

Equipment

- Bike
- Helmet
- Clothes suitable for the weather

Suitable for

8 to 12 years

Meeting point

1.45 p.m. Wyden Sports Ground, Engelberg

Remarks

Children in the third level have already mastered their bike very well and are now building on their skills. They learn to master moderately steep passages/trails with ease, practise jumps, drop downs and learn difficult
