Kids Bike Week in Engelberg!

During this week, children and teenagers learn to control their bikes better. They practise their riding technique in a playful way and then apply what they have learnt off-road.

The Kids Bike Week is organised under the "Swiss Cycling Academy 4 Kids" label. All participants receive the well-known "Velopass - collect your bike badge!".

The price includes full-day care and a simple lunch for the children. Depending on the weather conditions, we make a BBQ together, visit a restaurant or make a sandwich. Please inform us about allergies before the start of the course. Not included are arising costs for mountain railway tickets and/or public transport.
