

Lucerne Dialogue - Annual Meeting

The Lucerne Dialogue Annual Meeting brings together 700 current and future leaders for an active exchange between generations, nations and disciplines.

Diversity promotes innovation. At the European business conference, Lucerne Dialogue brings together current and future decision-makers with the most innovative minds from business, politics, science and civil society.

Gain inspiration from the keynotes and sessions and develop new ideas for the future in dialogue with people from other generations, nations and disciplines.

Are you ready for a rendezvous with Europe's future?

For 890 francs, you will receive a concentrated load of inspiration and countless opportunities for personal growth.
