

Monthly goods market Lucerne

Every first Wednesday from March to December, the monthly market takes place from Bahnhofstrasse to Jesuitenplatz.

Lucerne's monthly market is diverse and colorful: around 55 stands present clothes, jewelry, shoes, gifts, sweets and much more.

The monthly market also offers the opportunity to enjoy a snack. And all this along the Reuss, in the immediate vicinity of the Chapel Bridge and the Jesuit Church.

Due to the remodeling of Bahnhofstrasse, it is not certain when the tours will take place in November and December.
