

## Musig überem See - mit zwei Streichquartetten

GuidleProxy

**Quebec meets Central Switzerland: two string quartets perform one after the other and together in the incomparable atmosphere of the "Stall modulable" above Lake Zug in Arth**

Two string quartets meet: the "Quatuor Voxpopuli" from Quebec, which is on a European tour, and the "Diversion String Quartet" from central Switzerland. Haydn is honored, the Ukrainian composer Ljatoschynsyj, but also own compositions are played and an excursion into folk music and jazz is included - and finally perhaps a tango: to eight!
