### Assemble your own Swiss Army Knife!

The pocket knife assembly is a great experience for children and adults alike.

Our experts on site will explain every single step to you until you hold the finished pocket knife (Spartan model) in your hands. A special feature is the special blade engraving. It proves that you have assembled this knife yourself by hand. Of course, a personalized engraving on the scales is also included and makes your pocket knife a very special one-off.

Take the opportunity to make an appointment for you and your family!

We look forward to your visit.
