

Public guided tour of Brunnen

GuideProxy

Discover Brunnen with an expert guide and get to know the former fishing village from a different perspective.

You walk with your expert guide through the historic Brunnen, stroll along the promenade, get to know particularly beautiful places and at the same time enjoy the view of Lake Lucerne and the unique mountain scenery. During a guided tour of the village you will learn how the fishing village became a holiday resort. You will also visit the places where famous Brunnen personalities worked.

The tour lasts 1 hour and is conducted in German. The number of participants is limited to 20 persons. The meeting point is at the Boat Station Brunnen (Waldstätterquai 1, 6440 Brunnen). Participation is free of charge.
