GuidleProxy

"Quattro Stagioni" is as colorful as the leaves in autumn, as enchanting as a fairy-tale winter landscape, as colorful as a bouquet of flowers in spring and as refreshing as a summer thunderstorm!

Accordionist Sven Angelo Mindeci and the brass quintet Generell5 present their brand new concert program together! The six musicians play their way through the four seasons: from Astor Piazzolla's to Antonio Vivaldi's Seasons and from the fabulous world of "Amélie" to the traditional Zäuerli.

"Quattro Stagioni" is as colorful as the leaves in autumn, as enchanting as a fairy-tale winter landscape, as colorful as a bouquet of flowers in spring and as refreshing as a summer thunderstorm! Works from film, classical music, jazz and pop surprise in the new and exciting combination of accordion and brass in a new sound dress.
