**The festival is located on the beautiful lake and offers a fantastic ambience. Many festival locations and food stands provide entertainment. The fireworks start on Saturday at 22:00.**

The festival grounds of the Seenachtsfest extend from the Lindenhofwiese to the quay of the beautiful lake complex and offer a fantastic ambience. The event is known far beyond the district borders and has regional roots. It is a fixed part of the summer program for many people in Central Switzerland.

The festival is traditionally held on the last weekend in July and will take place on the weekend of July 26-28 in 2024. On Friday and Saturday evening, the festival offers a lakeside stage with live music, a party dome with popular DJs and numerous festival venues, bars and food stands. The entertainment includes a wide variety of musical styles from rock, pop, blues, cover, summer band, brass and wind music on the "Seebühne" to the great hits of the past and present in the Party-Dom and the bars. Various rides will also offer fun for young and old this year. The big, colorful fireworks display in the bay of Küssnacht starts on Saturday evening at 22:00 and is the highlight of the festival.
