

## Stradivari Friday

### Schubert's Winterreise with Marie-Claude Chappuis and the StradivariQuartett in the Vitznau Chamber Music Hall.

10 years of StradivariFEST Gersau! This anniversary is reason enough for us to celebrate an extraordinary festival this year. That's why we will honor it with chamber music "pearls" by Franz Schubert.

Schubert's Winterreise will be performed in the golden chamber music hall in Vitznau. Marie-Claude Chappuis, who enjoys an excellent international reputation as a Schubert singer, will present the song cycle together with the Stradivari Quartet in a rarely performed version for mezzo-soprano and string quartet.

Close to the audience:

Together with the Stradivari musicians, the audience can immerse themselves in Schubert's world and be enchanted by his music. After the concerts, the artists deliberately seek personal interaction with the audience. Conversations at the subsequent aperitifs offer the perfect opportunity for this.
