

Summer Sounds Lakeside Vitznau - Unforced 5 in Concert

GuideProxy

UNFORCED 5 stands for simple melodic rock. Versatile and open to many influences.

Elena, Fips, Steph and Petsch have come together to rock unforced. They took the experience with them from various Swiss bands such as Nighthunter, Acoustic Time Travelers, D.D.Dogz or Seasons of Rock. Over the years they could play some successful gigs in clubs and open airs. The primarily own songs are supplemented with individual covers, but with a UNFORCED 5 stamp on it.
