

Swiss Hiking Night | Brienzer Rothorn

GuidleProxy

Experience the Brienzer Rothorn in a completely different light.

Up to the highest mountain in Lucerne. Summit conquerors can enjoy views of the Eiger, Mönch and Jungfrau as well as 690 other mountain peaks. As the sun gradually disappears from the sky, immerse yourself in the fascination of the Brienzer Rothorn. With a bit of luck, you might catch a glimpse of an ibex silhouette at dusk or listen to the rippling of the ice. We are happy to reward you with a little culinary refreshment after the hike.
