Guidle.com

Attention railroad fans and connoisseurs - A historic train ride to the Rotonde in Delémont, with brunch on August 01, 2024

A historic train journey into the Jura

Celebrate our beautiful Switzerland together with the VHE Emmental on August 1, 2024 and visit our youngest canton. The day begins with a historic train ride to the Rotonde in Delémont, a fascinating historic railroad depot that once served as a turntable for locomotives and is now an impressive time capsule of 19th century engineering.

The trip starts at 10:00 am in Huttwil and takes you via Langenthal, Olten and picturesque Läuelfingen to Delémont. During this trip you will enjoy a delicious brunch.

Our carefully prepared brunch offers a delicious combination of a hearty meat and cheese platter and a healthy side dish for a balanced enjoyment.
