

Velobörse Luzern

GuideProxy

It's hard to imagine Lake Lucerne without the regular bike fairs right on the shore. The market takes place at the music pavilion on the National Quay, where there is plenty of space!

The urban cultural market spectacle always reaches its climax when the bikes are released for sale and people rush to buy their favorite bikes. Around 500 bikes find new owners twice a year.

The bikes can be viewed from 8.30 am to 11.30 am.

The bikes will be for sale from 1.30 p.m. to 4 p.m. (for members from 1 p.m.).
