

Vogellisi - open-air theater on the Eichberg at Lake Hallwil

GuideProxy

After the great success in the Bernese Oberland with 41 sold-out performances, the open-air theater "Vogellisi" will be restaged in the summer of 2024 on the Eichberg in Seengen.

Who does not know the song, the song that sings about the Bernese Oberland. But does anyone know that the mysterious girl can talk to birds and knows the healing powers of alpine herbs? When her father is killed, her ideal world is shaken. Now she has to care for herself and her sick mother. As a chambermaid in a grand hotel, she meets Karl-Joseph, a spoiled boy with a big dream. Together they set out and meet the mysterious herbalist Guandalenda and her twin brother Tuck, who has more than just herbs on his mind...

With wit and empathy, Rolf Sommer (director) and Urs Erdin (musical director) let the world of the mountain people collide with that of noble society. The stirring story by author Annemarie Stähli celebrated a great success in Steffisburg in the summer of 2017 and 2018: 40 sold-out performances with 20,000 visitors!
