

Bar National

The National Bar offers a stylish way to enjoy your evening – over cocktails, exquisite wines and snacks.

Here, locals rub shoulders with city visitors while cool blends with classical. The selection of malt whiskies is the bar's calling card and rightly so, as it gives connoisseurs reason to rejoice. The National Bar has retained the original style of the 1870s and exudes the engaging charm of the turn of the century. People say it's the loveliest bar in town.
