Gasthaus Schwyzer-Stubli

**The Schwyzer-Stubli is a place for legendary dishes and history. The murals in the rustic parlour tell the story of Schwyz's past.**

The chef serves traditional cuisine with a contemporary twist. The fine Swiss dishes can be enjoyed in the rustic parlour or in the cosy, covered gazebo. Particularly charming: in winter, the fondue parlour in the heated wooden hut on the garden terrace invites you to enjoy a cosy evening.
