

Goldener Schlüssel

Sven Stindt is not only the host of the golden key - he is also in the kitchen at the grill and is responsible for the physical well-being of the guests.

Creative, seasonal dishes are served to guests in the in-house restaurant. The cosy restaurant is currently open from Wednesday to Saturday evening. The meat specialities are grilled in the Goldener Schlüssel Altdorf with the unique "Big Green Egg" or guests can become grillers themselves thanks to the hot stone.
