

## Jeff's Burger - a trip to the USA

**Jeff's Burger offers a wide selection of burgers featuring flavours from all corners of the globe. Travel with Jeff to Mexico, Texas or Italy, or dive into a world of oriental aromas.**

### Local products

Jeff's Burger prides itself on sourcing local ingredients. You can choose between Swiss Angus and Swiss beef, both of which are from the region. The fresh vegetables come from a farm just up the road and the bread from the in-house bakery in Lucerne.

### Emphasis on sustainability

The cutlery and packaging for take-away meals are made from renewable raw materials.
